**Health Promotion/Disease Prevention Programs Approved for Older Americans Act Title III-D Funding  
Updated January 2021**

<p><b>Health Coaches for Hypertension Control (HCHC)</b></p>	<p><a href="http://www.clemson.edu/cbshs/centers-institutes/aging/resources/health-coaches/index.html">http://www.clemson.edu/cbshs/centers-institutes/aging/resources/health-coaches/index.html</a></p>	<p>Increase knowledge about hypertension self-management</p> <p>Increase stage of readiness to make lifestyle changes required for successful self-management.</p> <p>Promote behavior changes in nutrition, physical activity, stress management, tobacco use, and medication management.</p> <p>Target Audience- Those aged 50 years and above diagnosed with hypertension</p>	<p>HCHC consists of eight weekly sessions averaging about 1.5 hours each. The weekly sessions are offered by a pair of trained lay leaders (Health Coaches) in various community sites. The eight core sessions include: Basics of Hypertension Control; Nutrition; Physical Activity (includes Weight Control); Tobacco Use; Stress Management; Medication Management; Long-Term Action Plan.</p>	<p>Trained, local community members who use a scripted manual, posters, and participant notebooks and supplies such as blood pressure monitor and pedometer to implement the program.</p>	<p>Community members desiring to be trained as Health Coaches would be screened through a structured interview and would pass a criminal background check.</p> <p>Those wishing to be trained as Master Trainers, would need to have a background in a health-related field and have experience working with older adults.</p>	<p>The approximate cost per participant for printed materials, supplies (pedometer, relaxation CD, cookbook, blood pressure monitor, and the Living a Healthy Life with Chronic Conditions book is \$180. If a community coordinator is needed to manage the program, that would add a salary of about \$35,000.</p> <p>The fee to train Master Trainers would be \$500 per participant for trainings conducted at Clemson University. This fee would cover a 1.5 day training, a hard copy of a Health Coach manual and an electronic copy of all other materials such as training PPT, HCHC participant notebooks, and posters used in each session.</p>

<p><b>On the Move (OTM)</b></p>	<p><a href="http://www.onthemove.pitt.edu">www.onthemove.pitt.edu</a></p>	<p>Program goals: 1) To improve and sustain mobility so individuals can participate more easily in daily activities 2) to improve mobility and decrease risk for disability</p> <p>Target audience: Older adults who are medically stable and can walk household distances independently or with a straight cane.</p>	<p>On the Move is a group-based exercise program for older adults designed to target key principles of the biomechanics and motor control of walking. Classes are 50 minutes in duration and held twice a week, for 12 weeks. The program contains a warm-up, stepping patterns, walking patterns, strengthening exercises, and cool-down exercises. The unique stepping and walking patterns promote the timing and coordination of stepping and are integrated with the phases of the gait cycle. Patterns are goal-oriented and progressed in difficulty to continually challenge participants.</p>	<p>Health professionals (physical therapists, physical therapy assistants, occupational therapists and certified occupational therapy assistant) and certified fitness instructors (certified by a nationally recognized fitness organization such as ACE or ACSM), who are trained to be certified On the Move instructors.</p>	<p>Training to become a certified On the Move instructor involves: attending a 12-hour training course, achieving a passing grade on a written examination, and demonstrating competency with the program. Certification is for three years, at which time it needs to be renewed by achieving a passing grade on a renewal examination.</p>	<p>License fee (3 years): Non-profit = \$0 For profit = Based on number of sites: 1-5 sites license fee=\$1,000; 6-10 sites license fee = \$2,500; and 11+ sites license fee = \$5,000.</p> <p>Instructor training: \$750 per instructor. Includes 12-hour training course, On the Move manual and materials, 12 playground balls, and 9 cones. On the Move instructor certification is for 3 years.</p>	<p>Mobility Walking Group exercise Motor control</p>

<p><b>¡Sí, Yo Puedo Controlar Mi Diabetes! (¡Sí, Yo Puedo!)</b></p>	<p><a href="https://fch.tamu.edu/programs/diabetes-management/si-yo-puedo-controlar-mi-diabetes/">https://fch.tamu.edu/programs/diabetes-management/si-yo-puedo-controlar-mi-diabetes/</a></p>	<p><b>Goals:</b></p> <ul style="list-style-type: none"> <li>• Improve diabetes self-care skills</li> <li>• Enhance diabetes self-efficacy</li> <li>• Increase diabetes-related knowledge</li> </ul> <p><b>Audience:</b> Tailored for Spanish-speaking, lower-literate Hispanic/Latinos adult over the age of 18 with self-reported diagnosis of type 2 diabetes (T2D). Program also appropriate for bilingual speaking Hispanic/Latinos.</p>	<p>A culturally tailored 7-week program comprised of an orientation session (Week 1) followed by the 6-week diabetes self-management education lessons (Weeks 2-7). Classes are approximately two hours in length. Each lesson module is made up of 9 to 10 activities.</p> <p><i>¡Sí, Yo Puedo!</i> utilizes the social cognitive theory and the self-regulation model as its theoretical foundation to promote behavior change.</p>	<p>There are three approved class leader options. First, two trained health professional class leaders (i.e., registered nurse, licensed vocational nurse, or certified diabetes educator). A blended community health worker (CHW) and health professional is a second delivery model. With supervision or oversight at a community clinic, a third delivery option are two CHW instructors.</p>	<ul style="list-style-type: none"> <li>▪ Once the licensing agreement is executed a class leader training workshop is scheduled.</li> <li>▪ The workshop is typically a half-day <i>¡Sí, Yo Puedo!</i> class leader training. The \$400.00 workshop fee includes training all personnel implementing the curriculum. There is no limit to the number of attendees.</li> <li>▪ A refresher class leader training is available at \$100 per hour. This training length ranges from 2 to 3 hours.</li> <li>▪ Additional class leader trainings can be scheduled on an as-needed basis.</li> </ul>	<ul style="list-style-type: none"> <li>• \$500.00 licensing fee</li> <li>• \$350 per curriculum kit (multiple kits can be purchased for multiple sites).</li> <li>• Training: Four hundred dollars (\$400) for a ½ day or four-hour class leader training. Additional time is \$100 per hour.</li> <li>• Cost for duplication of participant handouts. A participant workbook containing handouts is available for purchase and priced pre booklet.</li> <li>• Cost (TBD) for technical assistance is available from AgriLife Extension for data entry, analysis, and reporting.</li> <li>• Other costs to consider:             <ul style="list-style-type: none"> <li>- Facility use fee</li> <li>- Class leader stipends</li> </ul> </li> </ul>	<p>Diabetes self-management education, Hispanic and/or Latinos, culturally tailored</p>
