

Senior Resources – Board of Directors

The operation of Senior Resources is community based. Decisions are made by a twenty-member Board of Directors and a fifteen-member Advisory Council.

The Board of Directors is the governing body of the Agency responsible for the establishment of policy and decisions on the disbursement of funds. The Board of Directors' purpose is to develop and maintain a service network that meets the present and changing needs of the elderly in Eastern Connecticut and to allocate the funds objectively. The Agency employs Staff who are responsible for the implementation of policy decisions and administration of funds received in accordance with regulations set forth by Title III of the Older Americans Act.
